

## **PARTICIPATION POLICY**

### **I. ATTENDANCE**

In order for the student to keep up with the class, we enforce good attendance. This is done for the benefit of both the student and the entire class. Poor attendance slows down the progress of the class. We require a courtesy phone call or email letting us know if the student is going to be late or absent. We understand that being late is sometimes unavoidable, but excessive lateness can be disruptive and cause a loss of concentration. If a student is more than 15 minutes late for the class, they may be asked to sit and observe the class rather than participate. This is for the safety of the student and if they are late they may miss a proper warm-up and could get injured. If you are consistently late for class a letter will be sent home. If a student misses and the absence is excused, they may do a make-up in an age/ability appropriate class. This must be done within one month of the absence and must have prior approval from the instructor. There are no discounts given for missed classes. Students should be picked up inside the building at the end of class. We understand there are extenuating circumstances, but we encourage parents to prepare the student for class by making sure they have used the restroom before entering the studio. This helps eliminate wasted class time. If any class is canceled or falls on a holiday when the studio is closed, students are allowed to make up the class in an age/ability appropriate class within one month.

### **II. DRESS CODE**

Students must dress in proper class uniforms. No prints are allowed. No jewelry, sweat pants, t-shirts, shorts, costumes, tutus, or street clothes are allowed in class (exceptions made for hip-hop). Instructors may request students to remove inappropriate items listed above. If the student does not comply with the instructor's request, the student may not participate in class. A letter will be sent home if the dress code policy is not consistently followed.
